Dear Jack,

Hi, Just received your letter thanking me for the 1.00 and my best wishes. Well you can be sure you still have my best wishes and always will have them to. Well now I hope you can get the trial moved to another town and that you get off with just a reprimand at the very most. I don't think that you will be able to get a fair trial in Dallas and I think the judge hearing the trial is sort of one sided to but maybe I am wrong but from my reading the account of the jury picking it just seems that way. All this business of Mrs. Oswald saying that the Bum was a C.I.A. Agent well what I want to say about could not be put in a letter as such talk is foolish and he was nothing but a COMMIE and they should have put him in jail long ago better yet they should never have let him back into the Good Old U.S.A. I sure hope that Mrs. Tippit and her family comes out all right to me that was a shame to. You know I was once an employee of the Justice Dept. in Calif. and just before I did resign I wrote to the Dallas Police Dept. to try and get a job there but you have to be a resident for so long and that let me see so I came back east with my family. You see I have nine years Police behind me and I like the work to. Well now if I was working now and had more money I would sure send more to you but I am not working now also if I had a vacation coming if I was working I would like to come down to sit in at the trial also to come and say hello to you but guess I will have to settle with the writing for now and if you care to correspond with me well just let me know as I would be glad to write to you as I do consider you a friend and I would like to meet you some day to. Guess I will close this letter now hoping to hear from you soon. If the D.A. or the Warden will not let you write me well ask them to please let me and I will even write them myself and ask if they want me to. Guess I will close this letter now and I hope it finds you in the Best of Health and spirits that can be wished.

YOUR FRIEND

February 23, 1964.

Mr. Jack Ruby,  
Dallas County Jail,  
Dallas, Texas.

Dear Sir:

I am one of the estimated one hundred and eighty odd millions of shocked and incensed Americans who wept and sobbed on hearing the details of the dastardly murders committed by Lee Howard Oswald on November 22, 1963. I was enraged and infuriated not only by the cowardly assassination of our President, but equally so by the brutal murder of patrolman J.T. Tippit, the father of three young children, and by the serious injuries inflicted on Gov. John B. Connally with the same murder-gun.

On November 23, 1963, I heard at my home in Scarsdale, New York, a T.V. coast to coast broadcast of the news conference by District Attorney Henry Wade, at his office, to brief the local reporters and the respective News Agencies concerning the arrest of Oswald. I presume you heard the same program.

Mr. Wade, who has an enviable reputation as an honorable and ethical lawyer and a brilliant prosecutor, told the world that he had "conclusive evidence" that Oswald was the killer of both President Kennedy and President Kennedy, from the testimony of fifteen reputable witnesses and from unimpeachable documentary evidence. His audience was satisfied by mere conclusions and asked for more detailed explanation, and Mr. Wade obliged. He told them that the murder weapon, the exploded shells were in his possession with proof that the gun was bought by Oswald, by mail, under an assumed name in his own handwriting, found among his personal effects; - where the gun had been kept and that he had ordered and paid for the telescope attachments to the gun. He also disclosed that when Oswald was surrounded by six policemen within the movie theater where he was captured, he drew his revolver and placing it close to the head of Officer Thompson, pulled the trigger. Fortunately, the bullet did not explode. He also disclosed many other shocking facts in detail.

I have been a practicing New York lawyer for over fifty-nine years and a peaceful law-abiding citizen. After hearing Mr. Wade's detailed statement of the nauseating and revolting facts and circumstances of this terrible tragedy, had I the opportunity, I would have acted as you did. The human mind and body can stand only a certain amount of

strain and stress. Logic, calm reason and self restraint cannot prevail in the mind of any human being who knew some of the victims personally and was loyal to the others. The horrible provocation aroused the natural tendency "to fight fire with fire." Mad dogs, venomous vipers and savage killers should not be accorded sympathetic coddling.

On November 24, 1963, when the news of your deed was publicized most Americans applauded. There were some "conformists" however, who prated about "the presumption of innocence until proved guilty", and "denial of due process of the law" to Oswald. Some newspapers published featured articles to the effect that a French Journalist asserted that Oswald could not have been convicted. The same papers publicized the fact that Oswald's mother protested her son's innocence because he was "always a good boy." All this, in the face of the most complete and conclusive evidence in the possession of District Attorney Henry Wade, which he personally certified.

The official records prove that the "good boy" Harry Oswald beat his pregnant Russian wife frequently and failed to provide for her support and of their child. He came into the U.S. Embassy in Moscow and filed a written renunciation of his allegiance to the U.S. to become a Russian citizen. Two and a half years later he wrote to Mr. John B. Connally, now Governor of the State of Texas, (then the Secretary of the U.S. Navy) to intercede for him to enable him to return to the U.S. He was granted a loan of \$435.71 for travel expenses. On his return to New Orleans, he promptly allied himself with the Pro-Castro Fair Play for Cuba Committee in New Orleans. Presumably, part of the money he obtained from the loan, with the help of Mr. Connally, was used to purchase the rifle that killed the President and seriously wounded the Governor of Texas, committed by our well-meaning citizens, in quoting Kennedy, is that the Oswald case is not a matter of principle. It is one isolated, peculiar unique case which must be judged on its own merits - and your act, by the same token, must be condoned because we are powerless to resist the psychological storm caused by the many heinous crimes and savage killings perpetrated by Oswald, as described by Mr. Wade, - which no reasonable person could question.

This letter is written to you to assure you that you have countless admirers and well-wishers, of which I am only one. As a New York lawyer I am disqualified to advise you pertaining to the laws of the State of Texas. I can, and do advise you to heed scrupulously the advice of your counsel in all matters pertaining to the conduct of your case.

Had these tragedies been enacted within the State of New York, and involved the same persons, and if I were the attorney for the defendant, I would request the District Attorney to confer with the Trial Justice and with the Governor of the State, to permit the defendant to plead "guilty" to manslaughter (other than murder) and that upon such plea the sentence imposed by the presiding Justice be commuted (if necessary) by exercise of Executive clemency by the Governor, to the time already spent by the defendant in custody preceding the trial. Upon release of the defendant from custody, the Governor to grant the defendant a pardon to reinstate the defendant's civil rights. To my mind the suggestion is just plain, simple common sense. The preparation for and the trial of this case would involve an enormous waste of time and money on the part of both prosecution and of the defense, with no likelihood that twelve conscientious jurors could agree upon a unanimous verdict. Let's assume, despite the improbability that a jury did agree on a verdict of guilty, would the Governor refuse executive clemency to the defendant who acted in a state of uncontrollable rage against the man who sought to kill and who actually did seriously wound the Governor? Any answer but an emphatic "NO!" would be a reflection on Governor Connally. Why waste the valuable time of hundreds of our citizens called as prospective jurors, of investigators, process servers, stenographers, medical experts, the court personnel, and of counsel on both sides whose talents can be employed to more worthy causes.

As to you, your attorney and your counsel, I waive the right of privacy as to the contents of this letter. You may publicize any portion thereof.

In separate cover, I am sending you a paper-back copy of my book *Religion Is Here To Stay: Whether You Like It Or Not*, with the hope that you might find it interesting reading. This book will not be on shelves three months. I might add, that a complimentary copy of the book was mailed to Governor Connally and to Attorney General Waggoner Carr on October 5, 1963. A copy of this letter has been forwarded to the Governor by the same mail. God bless you!

Very sincerely yours,

Meyer D. Siegel.

Dear Mr. Ruby:

I'm just a housewife from Ohio, but I recognise a big lovable slob from clear across the country. So, Mr. Ruby, I want you to know that I BELIEVE YOU. Somehow I think, in your present position, it might be a comfort to know that another fellow American does believe in your sincere love of Dallas, its people and institutions, and your country.

I'm sure the consequences of your act never occurred to you. Like any emotional lovable slob does, you acted without first thinking WHAT'S IN IT FOR ME, and, of course, that's where you made your big mistake. Lovable slobs always judge other people by their own standards and figure they must be lovable slobs too. But they're not, of course, and it's a hard lesson to learn, that the other fellow will never doubt that you did have some motive in mind other than sheer quaking patriotism that wiped consideration of consequences from your mind.

Lovable emotional slobs spend half their life weeping about their fellow men until they acquire a protective coat of cynicism. That is, always measure your actions first by WHAT'S IN IT FOR ME, and you usually never make a wrong move.

I'm sure that, if Oswald was the President's assassin, he had carefully thought out what was in it for him - he was satisfying the studied plan of a fanatic's mind and probably figured he COULD GET AWAY WITH IT - escape the consequences, that is.

And consider the policemen in Dallas - WHAT WAS IN IT FOR THEM by moving a live target in daytime in front of the television cameras and newsmen? Better newspaper coverage, that's what. Dallas was already assailed, and who wants to offend the controllers of public opinion? The police chief painfully admitted that he acquiesced to the wishes of the press in deciding on the daytime move.

And the newsmen - his job depends on always considering WHAT'S IN IT FOR ME. He has to get that news by hook or crook, and we realize his job is difficult. Surely we can't lay your present misery by hindsight that points a finger of blame at the newsmen, but what a not-so-unusual satire of life that their original motives have resulted in a windfall of it. Manna from heaven, buddy - and you're the only one who didn't see it coming. And apparently the only one in the miserable mess who didn't think first of WHAT'S IN IT FOR ME.

This whole experience will no doubt teach you not to be such an emotional lovable slob in the future. But let me tell you, I'd hate to live in a world that didn't have a few of them around.

Sincerely,

3.71

Dear Mr Ruby—

I need your help, if it is possible.  
for several years I have <sup>been</sup> studying the

We are encouraged to make a scrapbook of handwriting for special study. I am a very obscure person, not very much to get out and meet a lot of people myself, I have to get my scrapbook filled by correspondence.

I have a copy of the book FOUR DAYS that has many reprints of handwriting of famous people.

However, I wish to have your writing. If possible, Mr. Ruby, I hope you could send me even a very short note for my book. As I said, Graphoanalysis aids in the understanding between people. And I would like to meet and know you, through your writing. My thanks for your time.

Dear Mr Jack Ruby

Upon recieve receiving a letter from Mrs Dorothy Burdgras of Graham Texas. were the friends of her in Dallas that she mentioned in her letter to you. I follow your trial in the newspapers, over the radio and television very closely. Just where Dorothy Talgelein of the New York Journal American interviewed you. I think Dallas Texas, should have had more respect for the late John F Kennedy after all he picked a man from Texas to run with him for Vice President.

I hear that with a lot of the population Texas is very prejudiced, after all the South has been that way since the Civil War Days.

We are all praying for you, don't worry you'll come out with flying colors. Even Vice President Nixon stated that Lee Harvey Oswald got what he deserved. That leaves me bad off less life in this country. After I finish these little jobs what I'm going to have for dinner a nice hot

Dear Jack,

note

Hello and my best to you....just a quick/this time to let you know I am thinking of you and would like to let you know I am here. Needless to say I have followed your story from the very beginning and feel very deeply for you. It sounds so shallow to say "keep your chin up" and all the trivial things people say during times like these. But Jack, I am your friend and having experienced difficulties in my life I know what it is like to be alone. So, my wife and I are here to help if we can and to let you know we believe in you.

Since your trial makes the headlines everyday and the newscasts are full of it, there is no reason for me to write about it. If you care to write me and discuss it fine, if not, that's O.K. too. My life down here in Southwest Texas is so different to the way of life I had there in Dallas....God has been most bountiful to me....my business this year has been the best I have ever experienced. My home life is good and the hardest event in my future is the fact that I am going to be able to meet my daughter....you may know she was placed in a home for children by her mother....my wife and I have been working since our marriage to establish a home for her and secure her custody and it looks as tho' we are going to accomplish this....when I was last in Dallas I visited her custodians at the school and they have already passed on my wife and I and it looks as tho' when school is out in May she can come to live with us. This means, Jack, that I will have her for the four years of her high school and then as is the way of life she probably will go on out into the world....I hope that in this small amount of time I have left that I can make up for some of the times I have neglected her. As we get older and begin to look back over the road we can see where we made a lot of mistakes. I hope I can salvage one thing and leave her with good balanced ideas about life.

You people are living snow up there in Dallas and the sun is shining beautifully outside my office window. In my next letter I will go into detail about my crops and tell you a little about farming....some people cannot picture me as a farmer....but I do like to farm, and it is a good clean life. Of course, most of my income is from the shipping end of the business and this is full of headaches....I worked until 2:00 o'clock this morning, loaded out two trucks for Dallas, as yesterday was rainy and muddy, we had nothing but trouble getting the produce out of the muddy fields....the trucks bogged down as did the tractor....ruined one transmission in one truck, burned out my clutch in my pickup....thank goodness, this does not happen very often....but when it does, it is just plain hell.

Now I will close for this time....have wanted to write before, but have felt that possibly it might not be permitted....and not knowing about your routine there, didn't know if you would want to hear from anyone....but if you can write to me, let me hear from you....and remember that you are not alone....

Dear Mr. Ruby,

The very best of luck with your trial. Much of America is with you in heart. You did what many others who felt deep grief would have done on impulse.

My family's first reaction was the same as yours and I would have done exactly what you did. I still feel the deep sorrow of our president's death.

You are not alone on trial at this time, many of us who felt deeply are right there with you and we, each of us, are on trial right with

you. I want to thank you for acting my behalf and in behalf of many.

or Heaven. If you believe in Jesus you may be saved and attain eternity through Him by your death. You may have been baptized by desire, if you ever wished to have been like a Christian.

You, the Jews are the chosen people who brought Jesus to us. He was Jewish and fought those He loved, his own people, because He was to do the Will of God by dying on the Cross and rise and ascend to form His Church. I am a Catholic and I believe in my Church. As God manifests Himself to the Jews through the Holy Spirit, so has God and Jesus who are one have manifested Himself to me through the Sacrament of the Holy Eucharist.

Just as I in God land ask for a Catholic priest and take instructions from him. You do not have to convert, but it may turn out better for your mental health and salvation than going to talk to the psychiatrists.

This prayer was taught to us by Jesus Christ. Our Father who art in heaven, hallowed be Thy name; Thy

kingdom come, Thy will be done on earth  
as it is in heaven. Give us this day our  
daily bread; and forgive us our trespasses  
as we forgive those who trespass against  
us, and lead us not into temptation, but  
deliver us from evil. Amen

Wish to help but all I can do  
is write this letter for I am a mother  
and I have a home to attend.

God Bless you and love you may  
your soul and life be saved. And in  
death may your soul be ~~good~~.

It would be the people putting  
you on the chain not God. It is our  
government not His. He may kill, we  
may not, but we can; He wants  
us to ~~good~~ through our own will  
and ~~conscience~~ not forced by His Will.

Wish you the best on your trial.  
I want you to live, I want everybody to  
live who loves & fears God. And those who  
do not, may He forgive, He is all good and  
He will, but he cannot unless they  
repent. Those who do not will perish and  
live forever in Hell. Even in Hell we are  
Eternal.

Dear Jack, Thanks for the reply to my letter & did not know if it  
would ever be answered. I have sent several to newspaper and along in  
their line of talk.  
You got some fine defense laws. Walter & I tried to get in  
your favor. Also getting out of the picture. In fact, made the  
news that you were sent there. But you, even got the news, up  
this glory F. R. I. & S. S. super publicity favor for negligence. I sent  
one newspaper a letter asking where Bobby Kennedy's name was  
450 U. S. Marshall's favor the dept. situation went to designate  
Old Miss University and student send one over to Patrick  
The Kennedy garage route in Dallas. That out to make him  
state. Well Jack I am 75 years of age and have a mass of friends  
born in my lower back and left leg. I know Texas I was a U. S.  
Army spot in Mexico under command of Gen. Wm. E. Miller. Still living  
1910 Revolution. Shot up 8 and got shot up. Spent about 55 years in  
Mexico, California, Arizona, Texas, Alabama, Florida and each coast  
state. Did special work for Pres. Herbert Hoover. You & I then around  
Jack, helped it send the code, back books. Your name is Buddy &  
more than Jack if the American people do not elect 100% American  
men & women to public office and see that they are American  
this Government will not last another 5 years. Today is the  
birth day of Gen. George Washington, who said: "Beware of  
foreign entanglements." What a hell of a mess our officials have made  
of that Command.  
Well Jack I don't think I will be around much longer  
I always got a kick out of the girl shows and only look  
at F. R. shows with the girls doing their act. So would  
enjoy seeing you shows. If more preachers saw more  
girl shows they would have more love for them. At last  
Bern said: "Not only let live, but help somebody to  
live. Every morning, am on my back period."  
Keep your chin up. Could write more, but don't know  
who all will read this. Love & best wishes to everyone on  
your side. Will keep jabbing them until the old man with  
stars stops me. Walter

My Brother -

When Jesus came to Jericho  
unto Nicanor & Cleopas. He sent  
two disciples. Go into the  
village and you'll find an ass  
and colt tied. Loose them and  
bring them to me. And if any  
man says who wants them  
and what for? you must  
say the Lord hath need  
of them and he will send  
them.

Then, as the people hung  
Jesus on the cross, there  
were two other men already  
on the cross. One man said  
"Remember me when you  
come into thy kingdom."  
Jesus said "Today you  
shall be with me in  
paradise. (Was it not one  
man a thief, the other destroyed  
a life.

God sets free of those He is in need. God has your blue print of life from the day you were born. After the Court's lengthy ordeal you will receive freedom and forgiveness from God. I have shown you this simple fact.

Someday God will send a Padre, with love.

Compassion, kindness and a very sweet person your way. Maybe yours to help with a mission someday. Remember that things here on earth will pass away. They do every day. But that little precious treasure up there in God's kingdom will await you when you arrive, and all these flat, tires, tribulation will be nothing, in comparison with the precious treasure God gives you.

- 3 -

I pray, I have given  
you, comfort and peace,  
thru our Lord (Our Father)  
and a feeling of contentment,  
a new hope in life with  
a new vision that God  
will receive all the glory.  
Maybe I am answering  
your prayer, sometimes  
God thinks it is wonderful  
to perform.

I am alpha and Omega.

I am not signing my name  
in this way only God will  
receive the Glory.

In Christ I remain  
I pray for you.

Remember God is omnipotent  
and He can read this letter  
the same as you and I  
write He knows.

May God Bless you.

Before the Court gave  
out the proposed order,  
Rums talked at length with  
reporters about the plan.  
He said he had "not yet  
reached" to it for a final  
vote, but in Dallas County  
Court and also said a daily  
to give the press  
access to the plan.

Dear Mr. Ruby

According to a press  
report on 10-10-1964, which I have  
learned at Dallas County Court,  
and which you told me that  
Rums had given a final decision  
that we can keep with you in all  
times. I am glad to hear that.

Seek ye the Lord while he may  
be found, Call ye upon him while  
he is near. Isaiah 55:6.

What you did was wrong but I  
am not your judge.

Yours sincerely

It's up to you Mr. Ruby. If my opinion were

Dear Sir:  
Are you a republican or Democrat?  
The Public, wants to know, what the  
jury is? I am not a Democrat?  
If Jack Ruby is convicted it will  
be a republican jury. What what  
will the jury do? It's not a city  
in the State of Texas.

Not only was Jack Ruby in shock,  
and insane. But all of us who  
loved President Kennedy were insane  
from shock.

There is no question about it.  
All of us, Ruby was insane.  
Wasn't?

Our President Kennedy. I started  
our world turning. Our men went  
back to work. We could afford  
milk and meat for our families.  
Milk and meat helped our children  
to visit here and here charity  
hospitals.

It was, so the following class of  
people, by the Hoover Days, rather  
President Kennedy was elected

The leaders of Republicans have  
the heart of Hitler. 34 That is  
what the story is made out  
dictated by the same man. And  
And that makes to believe. And  
says our story to go for  
while Cuba is in. And  
And then make a mistake,  
because the child they were  
under-stand. Their little mouth  
watered, at the thought of Bacon, & the  
with a large & small of it.  
We are CASPAR S. was  
President Kennedy.  
say as most of our world  
would say - Let Rudy free.  
And stop trying, and doing it.  
making publicity.  
News for television, keep our  
news papers, have nothing  
interesting any more, the all  
publicity, propaganda.  
It's pretty bad, when a  
uneducated person such as I  
can see through such a deal  
and become so disgusted?

had to write and get it off.

Are out of my system.

I didn't see the Oswald Killing  
On T.V. And those who did see it

it can only swear they saw it  
on T.V. I can swear I saw

soot bubbles come out of people's  
mouths and see on T.V. to.

I can swear, I can swear man  
fly through the sky. But that  
also was on T.V.

If Jack Ruby didn't take such a chance  
and didn't kill Oswald, he was in  
the same state of mind they would  
be offering. But he had gutted

himself if Oswald lived, he could  
have broken down under the strain.

And that would have been terrible.  
For his testimony could have involved

some of our wanted to be, Republican  
presidents. Some one would have been back  
there. No one has published who it was.

There is greed, power, and hatred in  
the personality of our Republican I have  
seen. Just expressed, (if I do it then)  
I will get revenge if it's the last thing

iv

I do.

Public wants to know. Are  
the fudge Refused Cases? Are Dances Censored?  
It is not Dances, but the reprehensible  
already. Refused and labeled, was killed  
themselves. I am not a fool, but I am a rebel.  
And gave Dances the City's Marks  
in History.

What are they? Educational Narrow  
Minded people?

I am not ashamed of what I  
have written.

But I will not sign my Name  
as I have a better one to have  
in my world alone.

Is there any? want a free speech  
from a free American.

Good luck, and best wishes for  
Mr. Pugh.

Good luck for people who have  
Guthrie. He is a wonderful writer.  
May the Publicity Cause. And let us give  
to Democracy. Pugh will go free. Good  
and all Dances will be considered a pretty  
good City after all. (Over)
